

HOHENSTEIN LODGE • FACTSHEET 2020/2021

LODGE

Hohenstein Lodge is located on the bottom of the highest peak of the Erongo mountains. In the evening, spectacular sunsets bathe the mountain in fantastic red light. The view over the vast landscape extends as far as the Spitzkoppe peak, protruding as a prominent relief from the plain. The lodge is the perfect starting point for exciting outings at the Hohenstein and for day-trips to the Spitzkoppe or the neighbouring Ameib farm.

A Superior-Chalet with luxury equipment and aircondition for two persons extends the offer at Hohenstein Lodge. The Chalet is situated in a special place near the lodge and offers spectacular views to the mountain range.
